

# POISON SAFETY

---

Know which household products are poisonous.  1

---

Keep poisonous products out of kids' reach.  2

---

Keep the National Poison Control Center hotline number by each phone: 1-800-222-1222.  3

---

Don't mix different cleaning products together.  4

---

Keep products in the original containers. Read labels to learn if a product is poisonous and for first aid information.  5

---

Never refer to medicine or vitamins as candy.  6

---

Choose medicines and products that have child-resistant caps.  7

---

Keep make-up, hair spray, cologne and other personal products away from children.  8

---

Install carbon monoxide detectors in the home.  9

---

Throw away old medicines and cleaning products.  10
